

			the-new-wage-code-may-impact-your-take-home-pay-949706.html	your take-home pay
--	--	--	---	--------------------

A new wage code that comes into effect in April may lead to a salary restructure that reduces your take-home pay and increases gratuity and leave encashment. The government has consolidated 29 central labour laws in four codes, and in turn, changed ...
