The year 2020 is finally behind us. And 2021 comes in with a new ray of hope, for the world and the economies affected due to Covid-19. While many businesses had been hit hard due to the pandemic, there have been a few that have flourished even in such challenging times.

Similarly, the new normal changed a lot of things when it came to the hiring and recruitment process. Some HR professionals think the way they can gauge the potential employee face-to-face is better than connecting virtually. Likewise, when it comes to HRM technology, they had to adapt to a lot of changes and make it work, remotely.
