Genius Foundation

Genius Foundation, an CSR initiative of Genius Consultants Ltd is committed to the educational upliftment of the underprivileged children. Recently, the foundation through one of their execution partner Vikramshila organized a fun day out to Eco Park for the children of Nabadisha (from five sites under taken by Genius Founda-

tion). The members from Nabadisha bestowed their gratitude to Genius Foundation for the continuous support and the children greeted the management with Christmas and New Year cards created by them.
