With a number of companies across the world proposing 4-day workweek for employees, a report has revealed that a majority of employers in India strongly agree that this model will help in reducing stress level.

Over 60% of the employers strongly agree that the new 4-day workweek model will be successful in uplifting the overall morale of the organisation with job satisfaction and work-life balance, helping to reduce stress and anxiety levels, HR Solutions Genius Consultants said in a report.

However, 27% of the employers who participated in the survey said they were not sure of its implications on organisations' productivity.
