Below the banner is a featured article snippet with the ADP logo and the title 'On-premise vs Payroll Outsourcing: Embrace Agile and Flexible Payroll for New Normal'. The main article title is 'Indian pension system: How Indian companies can do better'. The sub-headline reads: 'Experts revealed that there is very little in terms of pension systems for the unorganised sector that makes up over 90 per cent of the workforce. To add to that, there is very low coverage under private pension arrangements in India - about 6 per cent.' The author is 'Abhishek Sahu' and the article was updated on 'February 12, 2022, 14:19 IST'.
