## Video exit interviews being posted on social media platforms gaining popularity: Survey

NewsDrum Desk Jun 17, 2022 - 20:46

Mumbai, Jun 17 (PTI) Video exit interviews are becoming an emerging trend, with over 60 per cent of the respondents in a survey saying they are fine with their wrap-up meeting being conducted on video and posted on social media sites.

Around 40 per cent respondents are averse to the notion, as per the survey conducted by HR solutions provider Genius Consultants.

"Millennials and the upcoming Gen Z generation that is on the anvil of being employed find online platforms the safest medium to gain knowledge and make an informed decision about anything important. The easy access and heavy
