**New Delhi.** The situation has become very serious due to the war with Russia in Ukraine, then people have become unemployed due to the collapse of the economy in Sri Lanka and the country has reached the verge of starvation. Due to the bad condition of both the countries, businesses have stopped there and a large number of people have become unemployed. Now Indian companies have started looking for opportunities in the disasters in Sri Lanka and Ukraine. Many companies of the country are now giving jobs to the skilled employees of these two countries.

It is not that companies are doing this to help the people of these countries. Rather,
